This week in EYFS we have been working really hard practising our Nativity. The children have been brilliant! In Reception, the children have enjoyed starting our new story 'Stickman' by Julia Donaldson. The children have had lots of fun describing the characters and applying their phonics knowledge to their writing. In maths, the children have continued to consolidate their understanding of numbers 4 and 5. In Nursery, the children have had fun completing lots of lovely activities in the areas of provision.

This week in year 1 the children have been reading "The Jolly Christmas Postman" and summarising the story. In history, the children have been learning about what sources can tell historians about the past. In art, the children have worked collaboratively to make large scale Miro paintings.

Just a reminder that our KS1 nativity is next Thursday and Friday the 14th and 15th.

This week, UKS2 have continued our learning about mountains and have been able to link this to our picture news of the week about an active volcano in Iceland. We have enjoyed Christmas jumper day and all filled ourselves with a delicious Christmas dinner. Year 6 have created their clay tiles based on Islamic art and they will be ready to paint next week. Some of our children are looking forward to switching on the Christmas lights this weekend and showing off their singing talents.

We have had another great week in year 2. We have started to read our new text linking to the Roman Empire and Boudica. We will be writing a speech pretending to be Boudica over the next week. In maths, we have just finished learning about adding and subtracting two numbers, which cross the tens and require us to exchange. In history, we have continued to look at how the Romans changed Britain. In science, we have continued to look at habitats and how animals have adapted to certain habitats.

School Procedures for Absentees

First Day of Absence

The Attendance Officer will review registers on a daily basis, between 9am and 9.30am, noting any children absent without a reason being provided. At 9.30am the Attendance Officer (AO) will ring parent(s) on the contact list. If still they have not heard from the parent(s) or contacts on the list, the AO will send a text message to the parent(s) explaining if they do not contact the school within the next 30 minutes, to explain their child's absence, a home visit may well be conducted by the Designated Safeguarding Team.

If still the Designated Safeguarding Lead does not get a response from the parent(s) after a home visit, a home visit may well be conducted by the police. Any child on the Child Protection List, that is absent and we have received no explanation from a parent after ringing every contact on the contact list, will have a visit from the Designated Safeguarding Team. Should there be no response from the home visit, a call to Social Care and the Police will be made.

Parents' Legal Responsibilities

Parents have a legal responsibility to ensure that their child/ren attend school and are responsible for the consequences of non-attendance.

Support will be offered. This will be communicated to parents through the school prospectus, Home/School Agreements, regular items on school newsletters and Friday letters. Meetings will be arranged with those parents whose child/ren have a pattern of absence or attendance falls below 95%.

These will all develop your understanding of parents' legal responsibilities along with involvement in the School Attendance Panel process where attendance shows no sign of improvements.

For more information please refer to the attendance policy on our school website.
